

Trainor's Project 6

Short Description

This animation is about a storm trooper (Star Wars) meets a dragon. The storm trooper is just causally walking then he turns his head. He sees the dragon which intrigues him a little bit. He then awkwardly waves to the dragon. The dragon then flies towards the storm trooper and looks down on him. The storm trooper then frantically runs back the way he came but trips. The dragons then flaps his wings to turn around. He then shoots a fireball at the storm trooper which knocks him down. The End.
